The University of North Carolina at Charlotte

BRIDGES Summer Workshop 2022

Introductions

- Who we are
- Who you are

Goals and Objectives

Course Structure

- How should I structure my course?
- What should I cover in my course?
- What are other people doing?

Course Content

- How to foster students interest?
- How to make your course appear relevant?
- How to make your course fun?

BRIDGES will help with that.

By the end of the workshop

- You will have a better understanding of the structure of your class.
- You will have an understanding of BRIDGES.
- You will be ready to deploy 3 BRIDGES activities in your course next semester.

Organization

Day 1:

- Introductions
- Objectives
- Understanding the structure of your course and opportunities
- Learning BRIDGES practically

Day 2:

- Planning which interventions to do
- Designing the first intervention
- Designing the second intervention

Day 3:

- Designing third interventions
- Reflecting
- Planning for next semester
